

# Guide Dogs Gifts in Memory Website Introduction

Hi, I'm Joette Emerton from Guide Dogs and welcome to the Gifts In Memory site.

On this site you'll find many ways you can commemorate the life of someone close to you by making a gift to Guide Dogs. We're so grateful to everyone who supports us in this special way and gifts in memory really do make a wonderful difference.

If you have any questions about how to remember a loved one with a gift, please feel free to call me anytime.

Thank you for visiting our pages today.

"I asked for donations instead of flowers at my husband's funeral – which went towards raising enough money to name a puppy in his honour. This helped to keep his memory alive and get me through the most difficult time of my life."

Ann Morehouse

"We lost our daughter Jude when she was 30. It was because of her love of animals that we decided to support Guide Dogs as a tribute to her life."

Lynne and Joe Cross

"My late wife loved doing her bit for Guide Dogs... so we really did her proud. In fact, taking part in her favourite Dragon Boat race was just one of the ways we raised the money to name some guide dog puppies."
